6. Tahap terakhir adalah memberikan akses administrator terhadap **partner account number : 18720996263**.

Pada layar dashboard utama Tuya, di pojok kanan atas klik **My Space → Authorization**

Di bagian **Join My Space**, klik tombol **Add Authorization**

A screenshot of the 'Authorizations' table. The table has columns: Partner Account, Account Type, Role Type, Authorized At, Remarks, and Operation. There is one record: '86-187\*\*\*\*6263' (Individual Account, Administrators, 2022-09-20 13:15:44, -, Delete, Modify, Remarks, Permissions). At the top, there are tabs 'Join My Space' (highlighted with a red box) and 'Authorize Partner'. Below the tabs, there is a note: 'Apply to collaboration within an organization. For example, you can grant Account A administrator permissions on a specified product. Thus, Account A can be used to switch to your space and work as an administrator to develop the product.' A 'View My Authorized Spaces' link and an 'Add Authorization' button (highlighted with a red box) are also present.

Masukkan nomor **18720996263** pada kolom phone number, lalu klik **OK**

A screenshot of the 'Grant Space Permissions-Confirm Authorized Account' dialog box. It contains a message: 'You are granting space permissions. The authorized partner will join your space with a specified role.' Below the message, it says: 'The partner can create or edit products and apps in your space. If the partner is not your employee or is required to operate your products using the partner's account, you can authorize the partner as an organization.' There is a section for 'Authorized Account' with a 'Phone number' input field containing '18720996263'. A 'Remarks' input field is also present. At the bottom, there are 'Cancel' and 'OK' buttons.

**Setelah nomor diatas tadi dimasukkan, maka semua proses sudah selesai.** Apabila partner account number yang diberikan berbeda dari yang tertera diatas, silahkan ulangi kembali langkah nomor 6 diatas untuk menambahkan account number yang berbeda.
